

- ❖ Apply one of the five themes of geography to the Africa. Define the theme and give three examples of how the theme applies to Africa.
- ❖ Pick a biome of Africa. Define it, explain how it impacts the region, and provide two examples of physical features in the region. (Think the butcher paper project)
- ❖ What was an ancient civilization of Africa? Name it and provide three accomplishments/important facts about it.
- ❖ What were three effects of colonization on Africa?
- ❖ What was apartheid? Explain what it was and how it ended.
- ❖ What is the poverty industry?
- ❖ What are some solutions to ending poverty that will hopefully be more impactful?
